

# CONFIDENCE

**We build a lot more for our clients**  
than floating production units.

**A leader in FPSO and FSOs.**

Companies who want turnkey solutions turn to MODEC. They know they can count on us to deliver leading expertise every step of the way - from FEED through operations and eventually decommissioning. Our clients know they're getting more than three decades of experience, an exceptional HSE record and an on-time and on-budget delivery record second to none. That's confidence you can take to the bank. Profit from our experience.
