

EXPERIENCE

**You can profit from more than
MODEC's EPCI solutions.**

MODEC also excels at FPSO/FSO operations and maintenance.

Perhaps we are best known for constructing and delivering FPSOs, FSOs and TLPs, but MODEC has an impressive record in Operations and Maintenance worldwide, too. Our clients know that they receive more than three decades of experience, an exceptional HSE record and deep dedication to achieving maximum uptime. Profit from our experience.
