

MODEC Publishes Integrated Report: "MODEC Group Integrated Report 2025"

Tokyo, July 3, 2026 – MODEC, Inc. ("MODEC") announced the publication of the "MODEC Group Integrated Report 2025," in both Japanese and English editions, now available on the company's website.

(English edition) <https://www.modec.com/ir/library/integrated/>

This report has been issued to provide global stakeholders with a comprehensive overview of MODEC Group's financial information, as well as its value creation story aimed at achieving sustainable growth and enhancing long-term corporate value.

MODEC is committed to pioneering a world where the ocean and humanity coexist in harmony by driving sustainable growth through our unique value creation process, adapting to a changing environment, and working together with society to realize shared value.

About MODEC

MODEC is a leading global provider of floating production solutions for the offshore energy sector, including Floating Production Storage and Offloading (FPSO) vessels. The company delivers Engineering, Procurement, Construction, and Installation (EPCI) services and also owns and operates FPSOs, offering comprehensive, competitive production solutions worldwide. SOFEC® Mooring Solutions is a MODEC product that provides safe, reliable, and innovative mooring systems for offshore energy applications.
